1) In the G.O. dated 26th October 1932 referred to above, it has been directed that the amount of Rs 5000 allowed for Kanjalarakkal should be gradually reduced so that in the course of three years it may be done away with altogether. This period of three years will expire by about the end of October 1935.

2) It is stated that provision for this amount for 1935-36 has been made in the State Budget under 13 Miscellaneous Deductions — Charitable Allowances — Palace Deductions. The effect of the Resolution referred to, is that the expenditure should be allowed as a palliative measure as hitherto and not discontinued as ordered by the end of October 1935. This means an extra cost of Rs 5000 for 2

1) Rice per month in addition to 5 persons with in receipt of a cash allowance @ Rs 11 per month. It is further reported that at the present rate the Reduced Cost works out to Rs 5746 which is a little more than the Reduced Govt grant and that the excess has been met from the Savings of the Thathachari the Dharmadarsis have reserved for the continuance of the present grant of Rs 5000 per annum for the purpose.

11) The Mangalore Secy is also of the opinion that it is desirable to continue the Charity as a permanent measure.

2) It is for consideration whether the the M.C may not be consulted unofficially in the matter

DTS 17/10 In the case of the chattram at Benares, which is a memorial of the late Maharaja there is only feeding of the poor No doles of rice are given. In the Maharaja's chattram at Mysore also, which is reported to be a memorial of Maharajah Krishnaraja Wodeyar III, the poor are fed. (Vide G.O. No. 624-41 Jung. 333-30-6 dated 20th Oct. 1932) Govt. have ordered the discontinuance gradual discontinuance of the doles of rice at Mangalore. makki

in the Maharaja's Chattram at Mysore. (Vide G. O. No. 624-41 Mysg. 333-30-6 dated 20th Oct. 1932). By merely refraining from making fresh grants of doles, it will be possible to abolish the doles gradually or at least to reduce the number of recipients of doles to say 25, without causing hardship to any person. The Mysore Secretary to H.H. the Maharaja reports that the number of persons receiving doles has been reduced in this way from 446 to 399. It is therefore a point for orders whether it is necessary to give doles of rice in addition to feeding in the Mysore Chattram and whether it is not possible at least to reduce the number of recipients of doles to say 25 gradually.

6. Read letter No.422/Muz dated the 25th September, 1935 om the General Secretary to the Government of Mysore,Bangalore

In Government order No.624-41/Muz 333-30-6 dated 20/24th tober 1932 it was ordered along with the other retrenchments der Maharaja's Chattram that the grant for Kangalarakki should reduced from Rs,9000-0-0 to Rs.5000/- per year. When the said der was passed there were 446 persons of all communities in ceipt of 7160 seers of rice per month besides five persons th a cash payment of Rs.11-0-0. On receipt of the order the st of the recipients was scrutinised and as they were all tiable cases of destitutes and maimed individuals, it was nsidered that it would be a hardship to refuse help to partilar individuals and it was therefore resolved to reduce the ce dole by 20 and issue 12 seers where formerly 15 seers per nth were issued per individual. Additions to the existing

xisting list were entirely suspended and vacancies on accoun f lapses, long absence and death were saved. Action was aken as above and at present there are 399 persons in receip 5076 seers of rice per month in addition to 5 persons with cash payment of Rs.11-0-0 per month. At the present rate th cost works up to Rs.544-0-0, which is a little more than the educed Government grant and the excess has been met from the savings of the Institution. As already stated the charity serves a very definite and real need in Mysore City where the is no other Government Institution to help the poor. The Maharaja's Chattram was built to perpetuate the memory of His late Highness Sri Krishnaraja Wadiyar III of blessed memory and it is desirable that the existing charities should be continued. It is therefore resolved that Government may be moved to kindly sanction the continuance of the present grant of Rs.5000/- per annum for the Kangalarakki Charity of --- Maharaja's Chattram.
